

# PIMP THIS RIDE!

- cut
- - - - - valley-fold
- hill-fold
- ①②③④⑤⑥⑦⑧ glue order

Yeah, we know, a Trabi is a dull ride from Eastern Europe. But it's white too, So there's plenty of room to pimp it! What about some flames, or a giant spoiler? Or maybe you want to colour it pink and fill it with flowers? Do with it whatever you like.

If you have the ultimate pimped car, please mail your design to us so we can show it to the world in our online gallery!

have fun!
